## JIM TRESSEL, PRESIDENT YOUNGSTOWN STATE UNIVERSITY

Youngstown, Warren and the entire Mahoning and Shenango Valleys provide many, many cultural, intellectual and culinary activities. Specifically, on the campus of YSU, nearly every day one can enjoy musical activities at our **Dana School of Music**; theatre productions; world-famous artwork at the **Butler** and **McDonough** Museums; Division I collegiate athletics; as well as stimulating lectures on a myriad of subjects... and, of course, lunch or dinner at the **MVR**, with menu choices like Tressel Tortellini and Coach's Cajun Chicken Sandwich.

## CASEY MALONE, TV PERSONALITY

The Mahoning Valley prides itself on great food, drink and hospitality. Here are my suggestions for the first-time visitor: **The Upstairs** has excellent food and atmosphere for lunch and dinner. I especially like Mondays when The Upstairs features Middle Eastern Night and a wide selection of authentic Mid East selections with a Lebanese influence. Youngstown is known for incredible pizza. The best example of our pizza is Brier Hill style and the best Brier Hill Pizza is at **Avalon Downtown**. For authentic Italian food, **LaRocca's** is the best. Owner Anna Ficorilli is from Pacentro, Italy and makes spectacular Italian specialties. The pizza dough and bread are prepared daily by Anna's husband Joe.

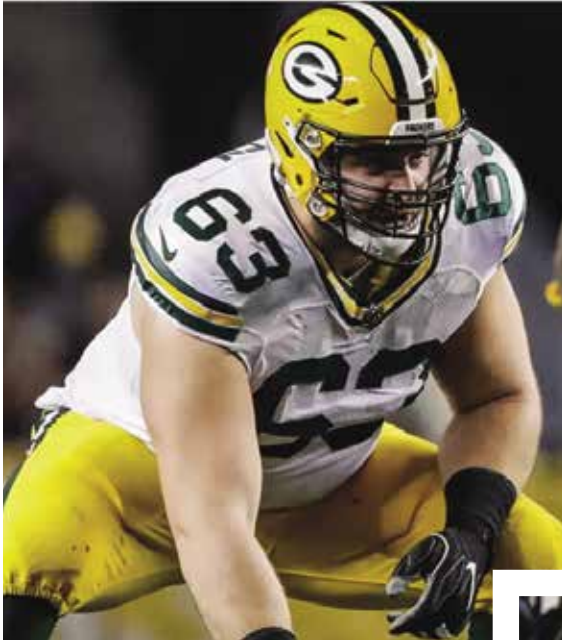

## MADONNA PINKARD, HOST OF COMMUNITY CONNECTION

As a lover of soul food, I would recommend **Charlie Staples Bar-B-Que**. He puts a "full cup of love" in his sauce! You cannot miss the Roger & Gloria Jones **OH WOW! Children's Center for Science and Technology**. Although folks may think it is for children, there is a child in ALL of us. The Hurricane Tunnel is a must for all—it's true EDUtainment. The best outdoor activities can be found in many of our local parks, but namely **Mill Creek MetroParks**. Not many know about the **Ford Nature Center**. You can't go wrong with the **Butler Institute of American Art**. Lou Zona and the staff are always ready with traveling exhibits from across America including John Mellencamp and local artists like Professor Alfred Bright. The foodie that I am, **Handel's** Graham Central Station ice cream combines the love of graham crackers and milk to an adult grown-up version of deliciousness. When in downtown Youngstown, **Joe Maxx** is the go-to coffee shop, not just for coffee, but herbal teas as well as fresh baked treats.

# Get to know the YO

We asked some well-known locals about their favorite spots. Read their suggestions on where to eat, must-see attractions and their all-around favorite things about Youngstown.

## LIKE A LOCAL

### COREY LINSLEY, PRO FOOTBALL PLAYER

A few of my "can't miss places" to eat are the **MVR** and **Cocca's Pizza**. My mom loves anything from **White House Fruit Farm**. I always try to get to **Inner Circle Pizza** and **Charlie Staple's Bar-B-Que** with my dad when I'm home. And for dessert, nothing's better than some **Handel's** ice cream; I'm a Chocolate Chip Cookie Dough guy. If you're a golfer, **Mill Creek** and **Reserve Run** golf courses are two of my favorites. When I'm out with friends we usually end up downtown at **Suzie's Dogs & Drafts**. And I would encourage everyone to get to a Boardman High football game and cheer on the Spartans, my alma mater!

### JACKIE POPOVEC, SINGER/ SONGWRITER, THE VINDYS

Ask anyone what makes this place special and they will tell you: the people. There is a strength and loyalty in the people of Youngstown unlike anywhere else. As an area musician for 10+ years, I've watched people grow and thrive in this town. If you haven't experienced the downtown Youngstown scene lately, look no further than Federal Street. **Joe Maxx** handcrafts the finest coffee blends in town, or for a pint, hit the 'pour your own' tap house **Whistle and Keg** which offers local and regional brews. For food, check out **The Kitchen Post**, where their Taco Tuesdays and weekend brunches reign supreme, grab a dog at **Suzie's Dogs & Drafts**, or a late-night slice of pizza at **Avalon Downtown**. **Federal Frenzy** rocks downtown each April with bands like Judah and the Lion, Smallpools, Reel Big Fish and The Vindys! Summer brings MANY ethnic festivals to enjoy.

### RYAN MARTINO, DRIVER MARTINO MOTORSPORTS

Experience the **Hot Rod Super Nationals** at the Canfield Fairgrounds in July. It draws thousands of participants from across the world showcasing their vehicles. In August, enjoy the **Canfield Fair**. Full of food, family fun, games and rides that entertain 350,000 each year, it's Ohio's largest county fair. Lace up your shoes and grab your camera for a hike or bike ride through **Mill Creek Park**. Don't forget historic **Lanterman's Mill**, one of the Park's most visited areas. Learn about Youngstown's famed steel heritage at **Youngstown Historical Center of Industry & Labor**. Catch some of the world's best music, entertainment and family shows touring the area at the **Covelli Centre**. If you're into cookies a must-stop is **One Hot Cookie**, paired with a cup of Victory Lane from **High Octane Coffee** where the coffee beans are roasted in-house.

### JAMIE JAMISON, PHOTOGRAPHER/ SOCIAL MEDIA INFLUENCER

Through my work in social media, I have met some amazing makers in our community who are passionate about what they do and extremely successful. If you dream it, it can happen here! One of my favorite Rust Belt Made makers is a floral farmer, **Farmhouse Blooms**. If you are visiting local shops in the area, you will often find fabulous local makers.

My favorite local foods are easy...**White House** donuts and **Handel's** ice cream. You can't make a bad choice. I've had the opportunity to take Instagram photos for both. Let's just say it's the sweetest job in town!

## IMMERSE YOURSELF IN HISTORY AND FUN

**Centennial [sen-ten-ee-uhl] noun:**  
**a 100th anniversary or its celebration.**

No matter how it's defined, a 100th birthday is certainly cause for celebration! And in 2019, **The Butler Institute of American Art** reaches this milestone with plans for special exhibits, activities and events, including a special celebratory Gala in October.

Founded by Youngstown industrialist Joseph G. Butler Jr. to house his extensive collection of American Art, The Butler opened to the public in October 1919. It was established as the first museum in the country dedicated to works created solely by American Artists. It was founded "pro bono publico" (for the public good) and has maintained its free admission policy throughout its history.

Known worldwide as "America's Museum," its holdings now exceed 20,000 individual pieces in all media, covering four centuries of work. The Butler's permanent collection is a true

reflection of America's history, arranged in chronological order. Director and Curator, Dr. Louis Zona, has been known to say, "A visit to The Butler is like a walk through American history, with masterpieces leading the way."

Browsing through the museum's marbled halls, you'll find important paintings by Mary Cassatt, John Singer Sargent, Edward Hopper and William Merritt Chase, to name just a few. You will also find *Snap the Whip* by Winslow Homer, the centerpiece of the museum's 19th century holdings. This painting of children playing outside of a one-room school house is known as "America's Mona Lisa". All are part of the museum's impressive collection of realist portraits, impressionist pieces and paintings of the American West.

Explore the Beecher Center which features new media and electronic art. Works of art that utilize computer, holography, lasers and other digital mediums are displayed here. In contrast to these modern pieces, when you cross the glass skywalk to Butler North, you'll find yourself in the Americana/Folk Art Galleries. On view are primitive paintings from the Colonial Era, carousel horses, ship models, decoys and a glass bell collection.

Throughout its 100 years, The Butler has also welcomed a wide variety of temporary exhibits and memorable traveling art. There is always something new to see. You'll want to plan a full day to explore all the galleries. Happy Birthday Butler Art!

Want to learn more about Youngstown's history as the second-largest steel producer in the US? A visit to **The Youngstown Historical Center of Industry & Labor** will give you a glimpse into the lives and times of the men and women who labored in the iron and steel industry in the Mahoning Valley. Known locally as The Steel Museum, this unique facility preserves this area's labor, immigration and urban history. While artifacts like workers' tools and clothing lend a closer look into the lives of past steel mill workers, life-sized scenes, including a mill locker room and part of a company-built house, give an accurate depiction of life during the steel era.

The steel industry brought great wealth and prosperity to Youngstown, which is reflected at **The Arms Family Museum**. Built in 1905, this Arts and Crafts-style mansion features original period rooms that highlight handicraft, medieval architecture and the natural environment. Other levels feature exhibits that explore life in the Mahoning Valley. Visit during the holidays to see the spectacular *Memories of Christmas Past*.

Bring your kids to **OH WOW! Children's Center for Science & Technology** for hands-on, STEM-based EDUtainment! FUN is the name of the game at this fantastic facility in downtown Youngstown. Children and adults can explore and play in an environment that fosters independent thinking and learning through interactive exhibits. Eleven WOW! Zones, more than 60 exhibits and the hands-on InspireWorks! Lab make for a wonderful experience for children ages 0-14. You're guaranteed to have a WOWtastic time at OH WOW! ## explore --- MILL CREEK METROPARKS

Glistening lakes, winding trails, pristine golf courses and beautiful gardens are just a few of the things you'll find while exploring **Mill Creek MetroParks**.

Established in 1891 by Volney Rogers, Mill Creek Park was named the first park district in Ohio, encompassing over 2,000 of the MetroParks' 4,500+ acres.

Spanning across most of Mahoning County, Mill Creek is a must-visit destination for anyone exploring the area. And with countless things to do and see in the park, one visitor's trip may look completely different from another's. Your first step to visiting Mill Creek MetroParks? Identify the type of traveler you are! Your next step? Explore the beauty of Mill Creek...

### **As a Family**

With young ones in tow, head to the **Wick Recreation Area**. It includes a new Dek Hockey rink, multiple playgrounds, a Par-3 golf course, batting cages, tennis and volleyball courts and ball fields. Then, let the kids cool off at the splash pad. If your kids love the snow, the **Sled Hill** located here is a blast! It's the best in the area. **Ford Nature Center** is a fun stop for the kids, and will soon undergo a renovation. Animal lovers? Spend some time at the **MetroParks Farm**! The 402-acre farm is home to several animal barns, a children's playroom and archery range. You'll also find educational programming and special events throughout the year.

Mill Creek MetroParks Experimental Farm

### **As a Photographer**

You'll find photo opportunities galore throughout Mill Creek Park. Make sure to get a picture of the iconic **Lanternman's Mill and Covered Bridge**. The best location to capture this historic mill, waterfall, bridge and surrounding landscape is from the Canfield Road bridge which offers a perfect overlook. Then, go inside to see how the mill functions just as it did in the mid-1800s. The Park's steel Suspension Bridge, or **Cinderella Bridge**, is also worth a visit. Its unique architecture has been the backdrop to many photoshoots—and for good reason! A stop at beautiful **Fellows Riverside Gardens** is an absolute must. This 12-acre public display garden features beautiful landscapes, scenic vistas and the roses are spectacular!

### **As an Outdoor Enthusiast**

Get your workout in surrounded by nature's beauty. Take a brisk (or leisurely) walk, or challenge yourself to a tough run on 45 miles of paved and unpaved hiking trails. Pedal your way through the 11-mile **MetroParks Bikeway**. Kayak on **Lake Glacier** or **Lake Newport**. Tee off on one of two 18-hole championship **golf courses**, designed by Donald Ross.

@ritcheyphotography  
Mill Creek MetroParks Cinderella Bridge

And play a game of pickleball, volleyball or tennis on one of the park's many courts.

### **As a Bird Buff**

Mill Creek's **Wildlife Sanctuary** is the perfect stop for bird watching. It's a 264-acre former fish farm that supports a diverse array of aquatic, wetland and upland habitats. More than 225 species of birds have been documented here. The Sanctuary is an important resting point during migration months. Bring binoculars or spotting scopes and identify species from the convenient observation platform.

Mill Creek MetroParks is the gem of Mahoning County, any season of the year. Plan a visit today! For full details, visit [millcreekmetroparks.org](http://millcreekmetroparks.org).

## through the seasons ---

In the spring, visit the 12-acre Fellows Riverside Gardens or take a walk through Daffodil Meadow. You'll find thousands of tulips in full bloom. Dog owner? Join MetroMutts and participate in the program's many spring dog hikes.

During summertime, tee off on one of Mill Creek's two golf courses, paddle the day away in a rented kayak or go for a hike. Give the kids a break from the heat at the park's splash pad and enjoy an evening Summer Concert Series performance.

In the fall, take a hike or bike ride on one of the park's trails lined with colorful trees or snap a photo in front of Lanternman's Mill. In October, carve pumpkins at Fellows Riverside Gardens, then see them displayed at the Pumpkin Walk at Twilight.

During the winter, ice skate on the park's outdoor rink or take a ride down the Sled Hill. Adventurous? Cross-country ski on one of the many courses throughout the park. Or escape the cold and sign up for an indoor yoga session.

## Signature Donald Ross Design

Two 18-hole championship courses stretching over 6,000 yards, populated with tree-lined fairways, glistening streams and over 100 bunkers. It should come as no surprise that Mill Creek's North and South Courses were designed by the "father of golf course architecture," Donald James Ross.

Designed in the 1920s, Mill Creek Golf Course encompasses the very essence of Ross' three-part golf course philosophy: make each hole present a different problem, arrange the course so that each stroke must be made with full concentration and intentionally build each hole so that it does not waste ground.

*Green - Raise the texture green, beginning at 0 at about the front to give a slope of about 1/8" up to rear, by means of low easy mounds.*  
*A Plateau 9" above B*

Donald Ross' working sketches and notes for Mill Creek's North Course Hole #5

Out of the 400+ courses designed by Ross, it is at Mill Creek where you'll find two uniquely-curated courses nestled in the beauty and splendor of a park setting. The courses' natural areas, surrounding trees and meticulously-placed bunkers continue to challenge even the best of golfers.

## DANA SCHOOL OF MUSIC

### CELEBRATING 150 YEARS

This year, Youngstown State University's esteemed Dana School of Music celebrates 150 years of concerts, rehearsals, learning, teaching and musical excellence.

In 1869, the dreams of 23-year-old William Henry Dana became a reality with the opening of Dana's Musical Institute. And over time, this dream transformed from a humble practice to an acclaimed program at Youngstown State University.

Over the course of its rich 150-year history, the Dana School of Music has been home to countless students that have left their mark throughout musical history in genres ranging from pop, jazz, funk, R&B to country and opera. Popular orchestras and military bands boast Dana graduates, and some have made it to the Grammy Awards.

The Dana School of Music has made an everlasting impact on Youngstown and the music world. Concerts are scheduled throughout the year. Treat yourself and attend one, or two... or a dozen. You will be amazed at the talent and musicianship of these impressive students.

# WORLDLY ROASTING AT BRANCH STREET

Ranked among the top five coffee shops in Ohio by Food & Wine Magazine and led by passionate coffee connoisseur Matt Campbell, Branch Street Coffee Roasters strives to tell the story of coffee cultivation and curation behind each and every cup served.

The shop's specialty coffee beans are sourced from all corners of the globe, harvested on small coffee farms—some of them personally visited by the Branch Street team.

In 2017, the team met with five different family-owned coffee farms in Peru, and as a result, now serves coffee sourced from three of them. The best part? A portion of Branch Street's proceeds go back into the hands of those farmers.

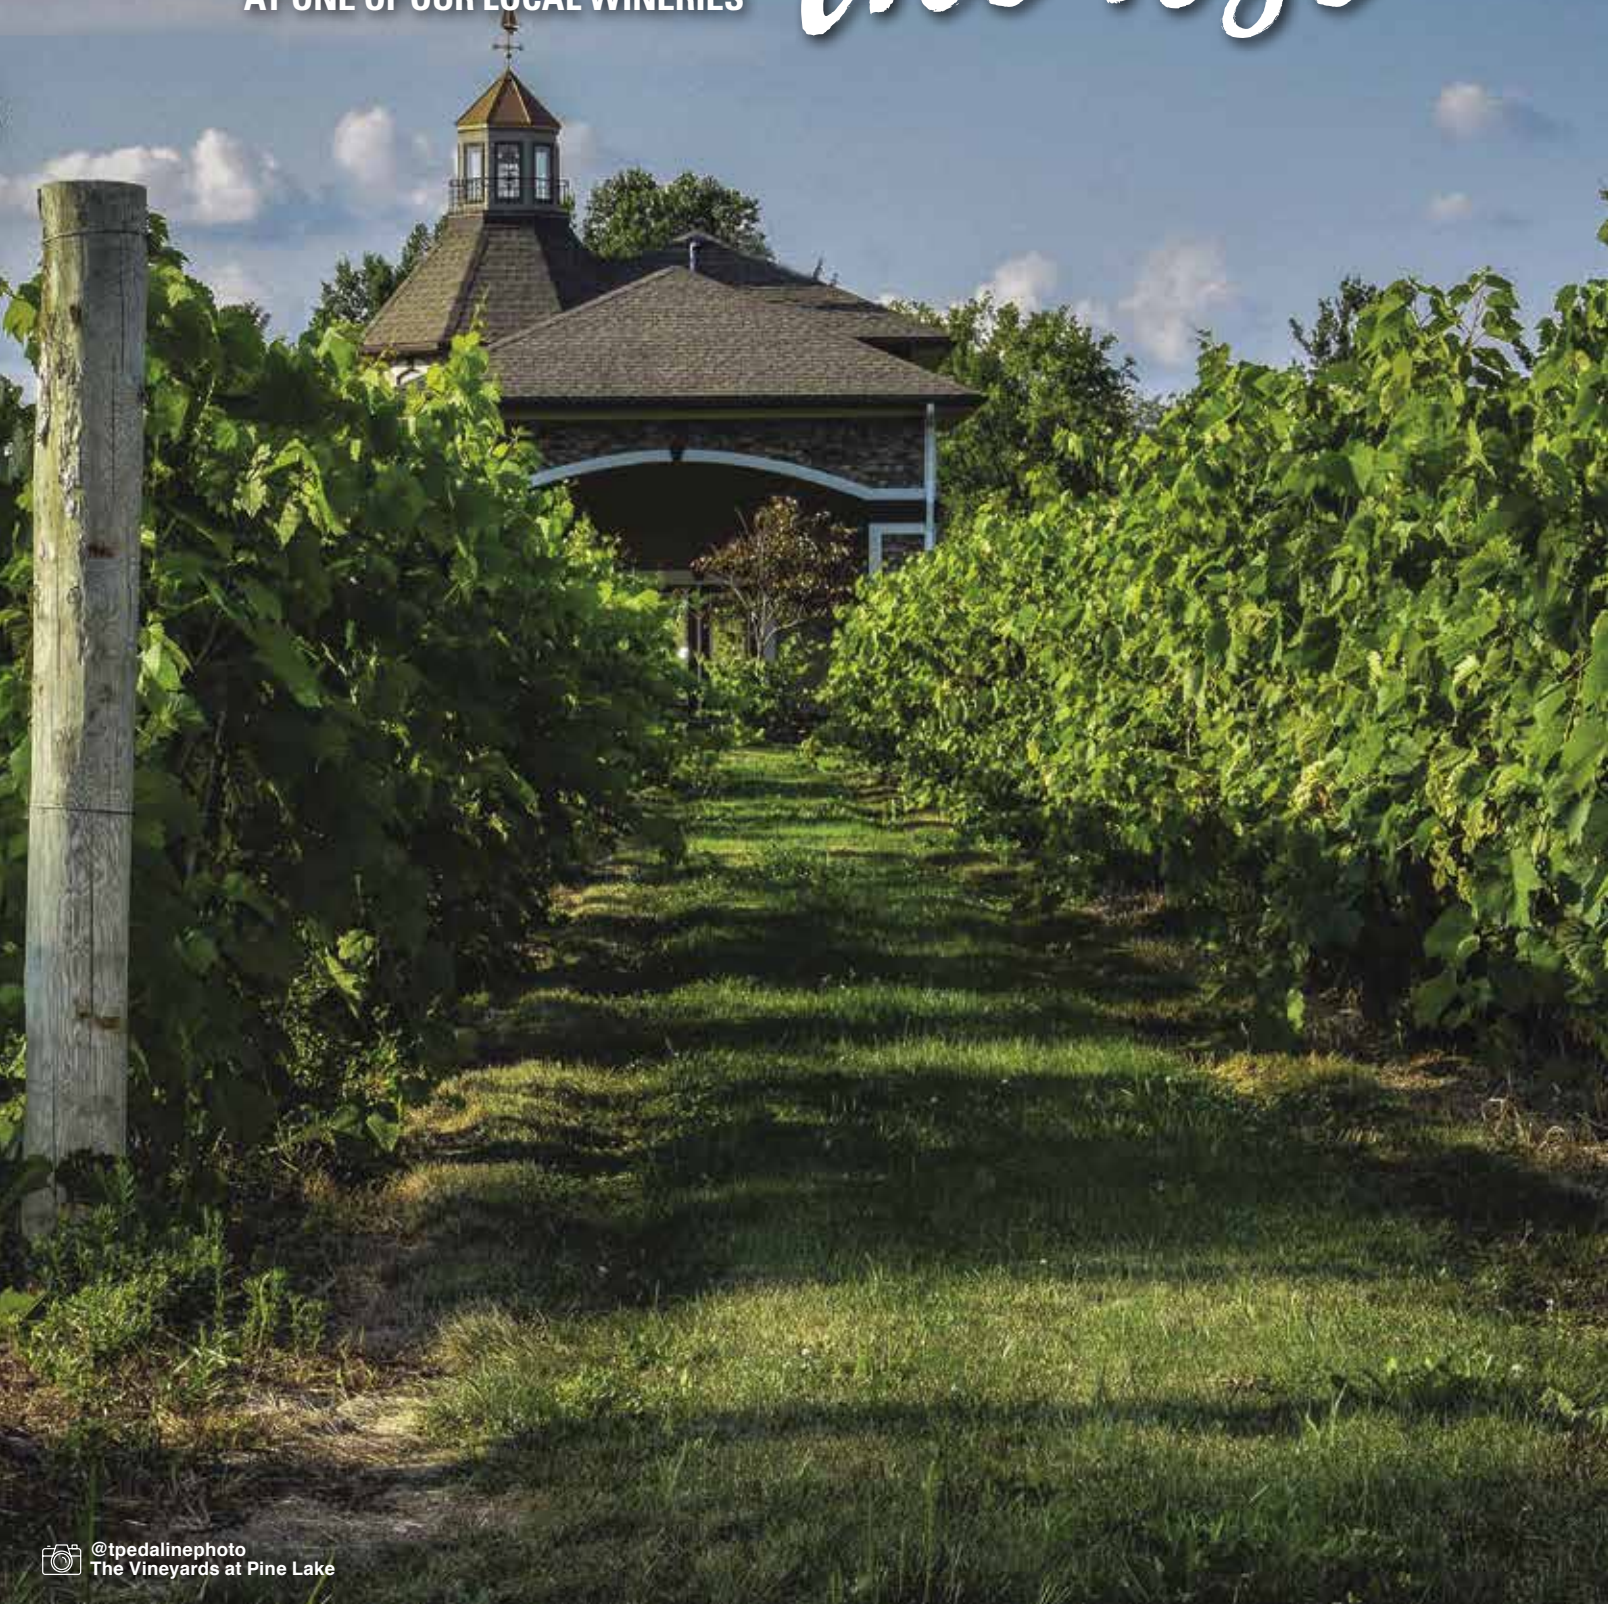

Not only are Branch Street's beans specially sourced, but they're also roasted in-house. The complex process gives special attention to each bean's unique flavor profile, and ultimately leads to the quality coffee known and loved at Branch Street.

What happens when a husband and wife duo love Youngstown and craft beer? Their passions merge to form a Youngstown-based signature brew, officially known as Penguin City Beer.

Co-owners Aspasia Lyras and Richard Bernacki have always held Youngstown near to their hearts. And as a result, they decided to create a beer, and build a brand that encompasses everything it means to be a local in Youngstown. The point? To conjure excitement for the city of Youngstown and all that it has to offer!

Right now, the brand is centered around its one crisp golden ale, brewed with high-quality malts and hops. It's a smooth drinking, full-flavored session beer, and is served at a laundry list of local restaurants, pizzerias, breweries, pubs, you-name-it. Whether you're teeing off at Knoll Run Golf Course or grabbing a slice at Inner Circle, you'll find Penguin City Beer on tap. Want to try it yourself? Take a look at all local Penguin City Beer providers at [penguincity.beer](http://penguincity.beer).

Although still in its infancy, rumor has it that there are plans to extend the brand to new flavors and varieties in the near future as Penguin City moves into their new digs in downtown Youngstown at the B&O Station, where they will add a restaurant featuring family BBQ recipes. But for now, grab a glass of this crisp ale and get a true taste of Y-town.

Held right next door to the Covelli Centre, the Flea is a monthly market featuring both local and regional vendors, a perfect snapshot of the Youngstown community. But, the event's founder is quick to point out that this special "Market for Makers" is not-your-average *flea market*. Why? Because the Youngstown Flea is not just another shopping spot, but rather, it's an entire experience.

Step just inside the Flea's boundaries and you'll be welcomed by the sound of curated music, invited in with the smells of food truck creations and encouraged to stay by the many diverse vendors selling everything from home decor to produce to apparel. But, that's not all. Each month, the Flea begins with a free yoga session, open to all levels, and invites visitors to bring their furry friends (many vendors even sell treats and custom clothing for pets). You're also invited to stay and play with oversized games on the lawn.

It's at the Youngstown Flea where you'll discover new music from up-and-coming artists, taste carefully-curated food and find a variety of incredibly talented makers. Experience the passion and growth of Youngstown with just one visit to this event.

## FARMERS MARKETS, FARMS AND SPECIALTIES

 White House Fruit Farm

### WHITE HOUSE FRUIT FARM, A MUST-VISIT

Home of THE blueberry donut, Fall Festival Celebration Weekends and countless fresh fruits and vegetables, White House Fruit Farm is a Mahoning County staple.

For over 90 years the Hull family has grown and sold fresh produce and homemade specialty foods on the farm. What started as a humble family endeavor has since turned into a booming tourism hot spot.

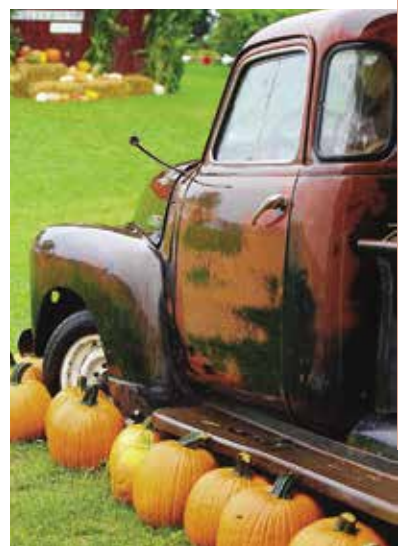

In the summer, expect to find strawberry and blueberry festivals and peaches so juicy, you'll need LOTS of napkins. Fall at the farm brings Celebration Weekends, apple and pumpkin picking, hayrides, seasonal decor and fall food vendors. Holiday gifts and decor fill the shelves during Christmas on the Farm. Then, Spring brings the Babes & Blooms Festival.

No matter the season, head into the farm market where you can choose from over 40 cheeses and meats, gaze longingly at the baked goods (lots of donuts) and peruse the various jams and jellies, local honey, Ohio maple syrup and much more.

With fresh produce galore, a farm market filled to the brim with homemade goods and a gift barn decked in decor, White House Fruit Farm is a must-visit Mahoning County favorite.

**Not Your Average Farm: Lamppost Farm**

For some people, "farm" might mean acres of Christmas trees and for others, it could mean tightly packed animals, fattened quickly with low-quality feed. But, for the owners of Lamppost Farm in Columbiana, neither is the case.

Inspired by the lamppost in the Chronicles of Narnia, Lamppost Farm aspires to be an entry-point into a new world where things are different. The farm proudly supports sustainable farming methods and is home to ethically-raised cattle, lambs, turkeys, pigs and chickens. Lamppost Farm not only provides their community with quality meats and homegoods, but also educates locals about the benefits of healthy living. The farm will offer free education and experiences for customers every Saturday in the farm's store. Whether it's spending a day learning about essential oils, taking a hayride at their annual fall festival or learning how to cook a turkey, there's always opportunities to explore the "new world" that the farm has created.

**Second Sole - Not Just for Shoes**

Second Sole in Boardman is the go-to source for Mahoning County's running community. Consistently ranked as one of the 50 best running stores in America, Second Sole not only sells shoes, but also offers helpful advice to athletes, while also sponsoring a number of marathons, 5ks and walks.

Inside the store, you'll find racks of brightly-colored sweatshirts, shorts, tank tops and other gear suited for all types of runners. Walls are lined with (you guessed it) today's top running shoes. But, that's not all! The store also hosts helpful workshops and fun themed nights (like Ladies Night) to help keep the community in tip-top shape.

As Boardman's major fitness and running outlet, it shouldn't be a surprise that Second Sole serves as a major sponsor of many local races. In the summer, you might see the store's iconic winged shoe printed on the backs of hundreds of shirts, participating in the Youngstown Marathon. Second Sole also sponsors the ever-popular Peace Race. The arrival of winter doesn't stop the race season. Second Sole also promotes the What We're Thankful 4 Miler and 'Twas the Night Before 5k—both great opportunities to shed some of those holiday calories! Lace up!

## Youngstown's Newest Entertainment Venue: The Youngstown Foundation Amphitheatre

Schedules are set, shovels have struck ground and hopes are high for the newest addition to downtown Youngstown: The Youngstown Foundation Amphitheatre. Slated to open in the summer of 2019, this massive outdoor venue will sit inside the newly-curated Riverfront Park with views of downtown and the bordering Mahoning River.

The Youngstown Foundation Amphitheatre will be a regional entertainment destination hosting a variety of happenings, from community events, to national touring artists, to music festivals. The space includes three buildings, totaling 5,000 square feet, an expansive state-of-the-art stage, high-quality sound system, lighting and multiple concession areas. Once completed, up to 4,800 visitors will have the option to sit in the amphitheatre's flexible hard seating area in front of the stage, mingle on the grass lawn or get up-close-and-personal with their favorite artists from the designated VIP area.

Where exactly will you find The Youngstown Foundation Amphitheatre? Right inside the 12-acre Riverfront Park.

Situated along the Mahoning River, the park spans from the South Avenue Bridge to just west of Hazel Street. This new green space will not only provide Downtown Youngstown's citydwellers with a much-needed natural refuge, but will also connect nature-lovers to the city with a 2.3-mile hike and bike trail from Mill Creek Park to the Central Business District.

As the fourth oldest community foundation in the country and ranked top 100 nationally, The Youngstown Foundation is one of the founding partners and a major contributor to the amphitheatre project. Since its inception in 1918, the Foundation has facilitated more than \$110 million in charitable funds and awarded more than \$6 million in grants annually. This year, to commemorate the Foundation's 100th year, a \$3 million grant was gifted to the amphitheatre project. The grant not only greatly impacted the construction of the amphitheatre, but also secured naming rights to the new facility for 20 years.

This summer, The Youngstown Foundation Amphitheatre will provide the opportunity for locals and visitors alike to experience the revitalized energy known and loved in Downtown Youngstown.

# LOOKING FOR AN *historic stay?*

Historic architecture is abundant in Downtown Youngstown. Now you can spend the night in one of these buildings. And in the southwest corner of Mahoning County, you can stay in a 1900s mansion that has been meticulously restored by a labor of love.

## NEW TENANT IN TOWN

Reaching 12 stories above Youngstown's central business district for the last 111 years, the Stambaugh Building has been transformed from a vacant, neo-classical building to the newest lodging option in Mahoning County. This former headquarters of the Youngstown Sheet & Tube Company has been reborn as the **DoubleTree by Hilton**. Entering the building you will find original marble, terrazzo floors and copper adornments. Attention to detail during the restoration and renovation process means guests enjoy modern amenities coupled with historic features and architecture.

## GLAMOUR RESTORED

Construction began in 1900 on the glamorous 10,600 square foot home of Frank A. Sebring and his family. And thanks to a massive, multi-year renovation project, more than 100 years later, innkeeper Lynne Biery now welcomes visitors to experience the grandeur of the **Sebring Mansion Inn & Spa**. Beautiful stained glass windows, polished woodwork and many original fixtures offer a stunning glimpse into the lifestyle of the mansion's original iconic tenants. Pamper yourself!
